

Erratum

Edgin, J. O., Pennington, B. F. and Mervis, C. B. (2010) Neuropsychological components of intellectual disability: the contributions of immediate, working, and associative memory. *Journal of Intellectual Disability Research*, **54**, 406–417.

Bruce Pennington is affiliated with the University of Denver, not the University of Arizona as noted on the article.

The following acknowledgment was missing from the above article:

JE is currently supported by a National Down Syndrome Society Charles Epstein Award and the Down Syndrome Research and Treatment Foundation, and during the completion of the work was supported by a National Research Service Award (NRSA) #1 F31 MH12704. CBM was funded by NINDS grant R01 NS35102 and NICHD grant R37 HD29957. We are very grateful to the families that participated in this study, and also thank Ella Peregrine for help with testing and recruitment.

Any inconvenience caused by these errors is regretted.
